

Passport Information

You have to apply in person if this is your first passport.

Either way, you need a new photo

New passports and renewed passports both require a photo. The Medford Post Office at 325 S. Riverside Ave., has passport photo service:

Passport Photo Hours

Mon-Fri, 9:30am - 12:00pm and 1:00pm - 3:00pm

You can save money by taking the photo yourself. Just follow the State Department rules:
